Customs / IOSS number _____ Branch number: _____

A. Power of attorney assigned to UPS

We authorize the company UPS of America and local UPS affiliates until further notice, to enter the IOSS number into their customer shipping systems/customer database as default and to declare import shipments using the IOSS number for our company in our name. This notice concerns

[] all IOSS eligible* B2C shipments up to 150 EUR

*Important Notice: In case any data and information provided by the customer, or failure to provide the same, cause customs or tax disputes, the customer shall indemnify and hold harmless UPS from any liability or charge, including legal fees, connected with the performance of this PoA and arising from causes attributable to the customer, if the latter provides incomplete, inaccurate or untrue data or information. UPS will not be liable for any such failures caused by the customer or instructed 3rd parties. UPS Terms & Conditions of Carriage apply.

Charges apply for special customs procedures, the NCTS procedure and for special services such as storage. For information of fees please refer to www.ups.com or contact us. Please note that if we are unable to clear a shipment sent to a European country, and we do not receive instructions within 10 days of reaching out to the shipper, then, in accordance with the applicable UPS Tariff/Terms & Conditions of Carriage/Service, the shipment may be either (a) returned to shipper without further notice, with charges billed to shipper's UPS account, or (b) sold or destroyed. If the shipment is returned to the shipper, the relevant charges may include the return freight cost, customs duties, taxes and any associated UPS fees.
