

Surge Fee

March 7, 2025

Our goal is to ensure that we can continue to meet our customers' shipping needs without compromising the quality or timeliness of service expected from us.

UPS will be implementing a Surge Fee¹ for all shipments originating from the Origins noted below to the Destinations noted below, effective March 16, 2025 through March 29, 2025. The Surge Fee is subject to the UPS Fuel Surcharge, and the Surge Fee will apply based on the billable weight of the shipment.

Please note that Surge Fees are subject to change. Shippers should continue to check ups.com/rates for updates prior to tendering shipments. See table below for the applicable rates.

| Origin Country or Territory | Destination U.S. |
|-----------------------------|---------------------|
| China Mainland | \$0.29 per lb. |
| Hong Kong SAR | \$0.29 per lb. |
| Macau SAR | \$0.29 per lb. |

¹UPS reserves the right to adjust the rates for the Surge Fee at any time in its sole discretion. No waiver, discount or reduction of any type to the Surge Fee shall apply unless and until UPS agrees in writing to such waiver, discount or reduction with specific written reference to the Surge Fee.
